**Pro Se (Nonprisoner) Consent & Registration Form to Receive  
Documents Electronically**

Parties who are not represented by an attorney and are not currently incarcerated may choose to receive documents in their cases electronically (by e-mail) instead of by regular mail. Receiving documents by regular mail is still an option, but if you would rather receive them only electronically, you must do the following:

1. Sign up for a PACER login and password by contacting PACER<sup>1</sup> at [www.pacer.uscourts.gov](http://www.pacer.uscourts.gov) or 1-800-676-6856;
2. Complete and sign this form.

If you consent to receive documents electronically, you will receive a Notice of Electronic Filing by e-mail each time a document is filed in your case. After receiving the notice, you are permitted one "free look" at the document by clicking on the hyperlinked document number in the e-mail. Once you click the hyperlink and access the document, you may not be able to access the document for free again. After 15 days, the hyperlink will no longer provide free access. Any time that the hyperlink is accessed after the first "free look" or the 15 days, you will be asked for a PACER login and may be charged to view the document. For this reason, *you should print or save the document during the "free look" to avoid future charges.*

**IMPORTANT NOTICE**

Under Rule 5 of the Federal Rules of Civil Procedure, Local Civil Rule 5.2, and the Court's Electronic Case Filing Rules & Instructions, documents may be served by electronic means. If you register for electronic service:

1. You will no longer receive documents in the mail;
2. If you do not view and download your documents during your "free look" and within 15 days of when the court sends the e-mail notice, you will be charged for looking at the documents;
3. This service does *not* allow you to electronically file your documents;
4. It will be your duty to regularly review the docket sheet of the case.<sup>2</sup>

<sup>1</sup> Public Access to Court Electronic Records (PACER) ([www.pacer.uscourts.gov](http://www.pacer.uscourts.gov)) is an electronic public access service that allows users to obtain case and docket information from federal appellate, district, and bankruptcy courts, and the PACER Case Locator over the internet.

<sup>2</sup> The docket sheet is the official record of all filings in a case. You can view the docket sheet, including images of electronically filed documents, using PACER or you can use one of the public access computers available in the Clerk's Office at the Court.

Application for the Court to  
Request Pro Bono Counsel

I ask the Court to request a *pro bono* attorney to represent me in this action. In support of my application, I declare under penalty of perjury that the following information is true and correct:

1. Have you previously filed a “Request to Proceed in Forma Pauperis” (an IFP application)? Please check the appropriate box below:

I have previously filed an IFP application in this case, and it is a true and correct representation of my current financial status.

I have not previously filed an IFP application in this case and now attach an original IFP application showing my financial status.

I have previously filed an IFP application in this case, but my financial status has changed. I have attached a new IFP application showing my current financial status.

2. Explain why you need an attorney in this case. (Please note that requests for *pro bono* counsel are rarely granted at the early stages of a case and usually not before the Court has issued a decision on the merits of the case.) If you asked for an attorney earlier in this case, please also explain what has changed since you last asked for an attorney.

Due to the continued retaliation and hostile work-environment on discriminatory case (s), I have not received a fair opportunity for pay grade and position increase. Also, with the continued unethical retaliation and actions taken against me by the Agency, I have not been paid since August of 2021 after injuries from motor vehicle accident that left me incapacitated and hospitalize, homecare, and recovery from August 2021 to April 2022. Actions that Agency has taken and continues to take that violates all EEO has caused an undue financial hardship and caused and increase in decline of medical condition. I currently can not afford representation given I have five EEO cases pending with the Agency and not receiving fair pair or considerstaions given the retaliation.

---

3. Explain what steps you have taken to find an attorney and with what results. (Please identify the lawyers, law firms or legal clinics you have contacted and their responses to your requests. If you have limited access to the telephone, mail, or other communication methods, or if you otherwise have had difficulty contacting attorneys, please explain.)

I have reached out to numerous law firms who either advised they don't handle federal cases, or required a large retainer fee upfront that I do not have. I researched for pro-bono and each one advised they don't process federal cases and the only option that was a potential was legal assistance for Veterans like myself, however, they could not assist in a case against the VA since they are partnered with them. In addition, continued retaliation during Covid 19 pandemic where I was not compensated appropriately for essential front line duties and work performed. Financial burden hardship.

4. If you need an attorney who speaks a language other than English, state what language(s) you speak: \_\_\_\_\_.

5. I understand that if an attorney volunteers to represent me and that attorney learns that I can afford to pay for an attorney, the attorney may give this information to the Court.

6. I understand that even if the Court grants this application, I will receive *pro bono* counsel only if an attorney volunteers to take my case and that there is no guarantee that an attorney will volunteer to represent me.

7. I understand that if my answers on this application or in my IFP application are false, my case may be dismissed.
